# KNIGHT **NEW** SERIES

*Simple but not simple, such an attitude to life is a realm, which publicizes a person's wisdom and taste.*

On the day when the sword was broken and rebuilt, when the knight returned, it was a kind of majesty and glory. The exquisite die-casting joint is used to decorate the outstanding of the whole class platform series.

The veneer paper of schatter, Germany, is adopted, the surface of the board is not "transparent", the veneer color is independently developed and designed, and the imported base paper such as schatter, Germany, Hardman ink and pure melamine impregnated adhesive are adopted, with high weight and strong coverage; the wood grain is independently designed and developed, with natural color, realistic effect and uniqueness. Plate grade E1.

The plate thickening process is adopted, and the aluminum edge sealing process is also adopted on both sides, with the echo platform panel modeling.
