*Simple but not simple, minimalism to the extreme, is a realm, but  
also to convey a sense of high value!*

ETMA Furniture  
Cabin - Colaba Furniture - Pods

Simple but not simple, minimalism to the extreme, is a realm. Adopt sheet metal technology, spray powder and champagne gold, transfer a successful career, indifferent mood! The support foot of the whole sheet metal technology has a full sense of metal and distinct water chestnut. It also conveys a sense of high value!.

The veneer paper of schatter, Germany, is adopted, the surface of the board is not "transparent", the veneer color is independently developed and designed, and the imported base paper such as schatter, Germany, Hardman ink and pure melamine impregnated adhesive are adopted, with high weight and strong coverage; the wood grain is independently designed and developed, with natural color, realistic effect and uniqueness. Plate grade E1.
