MINJ **NEW** SERIES

*There is no complicated line, no complicated design language.
Elegance and patience are all she has*

ETMA Furniture

Cabin - Collob Furniture - Pods

There is no complicated line, no complicated design language. Elegance and patience are her whole life. It's just like opening a window and seeing the spring with full eyes. The return steel foot is made of sheet metal technology, stable, atmospheric and fashionable, with thickened modeling table, the overall effect is simple but not simple!
